a. The Family Advocacy Program (FAP) mission is to prevent and reduce child abuse, child neglect, and spouse/intimate partner abuse. An essential aspect of the FAP mission is to promote strong, resilient Soldiers and Families by establishing information and educational programs and supportive services. The FAP mission also includes ensuring prompt reporting, assessment and investigation of incidents of abuse, while providing treatment to all affected Family members.

b. Family violence is contrary to Army values and threatens the safety and welfare of our military Families and communities. Family violence also undermines unit cohesion, morale, and readiness. Preventing Family violence is a command priority and responsibility. Family violence includes child abuse, child neglect and spouse abuse/intimate partner violence (IPV).

c. All tenant commands, agencies, and activities are required to comply with the provisions of AR 608-18 Family Advocacy Program, and adhere to the guidance stated in this memorandum. Commanders are responsible for taking immediate steps to alleviate Family violence. Commanders are required to promptly report all incidents of child abuse, child neglect, spouse abuse/intimate partner violence (IPV), to the USAG Wiesbaden Reporting Point of Contact (RPOC), the Military Police, at DSN: 548-7777, COM: 0611-143-548-7777. Commanders are expected to provide command representation at Case Review Committee (CRC) meetings and support CRC treatment recommendations, to include providing Soldiers the time necessary for completing treatment recommendations made by the CRC.

d. AR 608-18 also stipulates mandatory FAP briefings for all commanders and senior enlisted advisors within 45 days after appointment to a command position and annual training thereafter. In addition to this requirement, all company and unit commanders are responsible for scheduling annual FAP troop training on Family violence prevention and awareness, the availability of prevention and treatment services, and other services that are available. All Soldiers are to attend this training annually. Civilians are encouraged to attend but their attendance is not required.

e. Victims of domestic violence (DV) and child abuse have a right to receive counseling, treatment, legal information, safety planning and information and referrals by contacting the FAP Victim Advocates (FAPVA), the FAP Manager (FAPM), and the Social Work Services (SWS). Support for victims is available through the FAPVA program, DSN: 548-9201, COM: 0611-143-548-9201. Victims have the right to file a restricted report for domestic violence by contacting USAG Wiesbaden health care providers, SWS, FAPVA, FAPM or chaplains. A FAPVA is on call 24/7 on the FAP domestic violence (DV) hotline 0162-297-5625. An unrestricted report for domestic violence initiates the investigative and legal process and command involvement. In all cases of domestic violence, the applicable rights of both victims and offenders will be observed at all times.
